SPRING THINGS

Walk, talk and draw inside and outside. How many Spring Things will you spot?

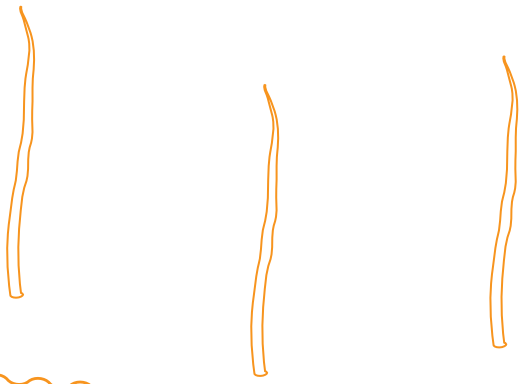

Start your search in the Living Area gallery
Can you find a bird sitting on three eggs?

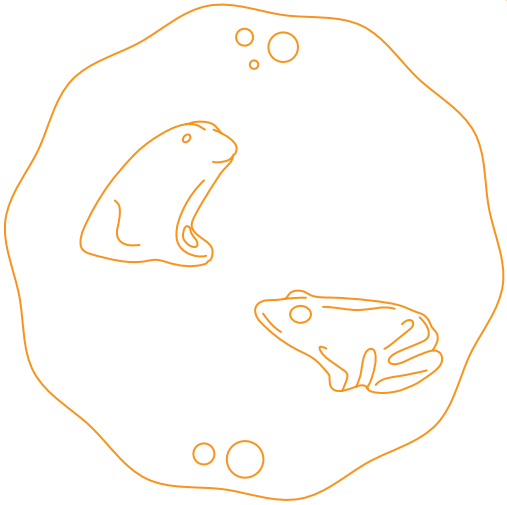

How many other birds will you spot
as you explore the gallery?

Find feathers that are…
…fine and fluffy
…snipped and zig zagged
…painted onto wood

Finish these feathers.

Tick these two tiny frogs off your list!

Add an underwater background
for them to swim in.

Look for a person peering out of a picture
with a mouthful of green leaves…

…what do you think they are looking at?

Have you seen the Sainsbury Centre's huge windows? This building was made to connect artworks living inside the galleries with nature living outside

Spot more Spring Things in the Sculpture Park.

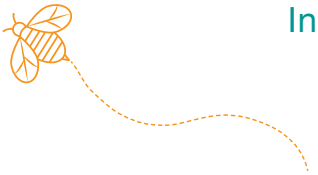

Flowers…

…adding a dash of colour in the meadow or the shady woods.
How many different shaped flowers can you draw?

Birds…

… gathering on the ground, perching in bushes, or paddling in the broad.
an you hear a bird? What sound is it making?

Insects…

…buzzing in the air, scuttling across the soil, or skimming on water. Find an insect and watch it for a while.
Can you draw the way it moves?

Animal tracks…

… look on the ground for molehills, pinecones nibbled by mice or squirrels, or a little pile of round rabbit poos!
What evidence did you find?

Can you find a gold rabbit sculpture?
Finish your journey by hiding under the rabbit's skirt.
Tell a friend…

…what was the best Spring Thing you saw today?
